

The Congress of Chairs Facilitates Multiple Standards Activities

The Goal Is A “Single Point Of Contact For
Standards Groups”

The CoC Seeks To Help Facilitate Standards Work

- ◆ A DHS PCSF Working Group
- ◆ Consisting Of Standards Group Chairs
- ◆ Seeking To Assure Compatible Standards
- ◆ By Sharing Ideas Informally
- ◆ Lacking Resource For Coordinating
- ◆ And Not Needing “One More Meeting”

Avoid Duplicate Effort

- ◆ **There Are Dozens Of Groups In Process Control Cyber Security**
- ◆ **Some Will Probably Duplicate Efforts**
- ◆ **Most Define A Glossary**
- ◆ **Conflicting Standards Are Probable**

Minimize Standards Conflicts

- ◆ **Independent Groups May Conflict**
- ◆ **Many Standards Send Mixed Signals**
- ◆ **Early Cooperation Reduces Conflicts**
- ◆ **Market May Reject Inconsistent, Valuable Standards**

Reduce Liaison Travel And Work

- ◆ Cooperation With 100 Groups Is Hard
- ◆ Budgets & Time Are Constrained
- ◆ But Cooperation Is Still Vital
- ◆ PCSF Web/Meeting Is “One Stop Cooperation”
- ◆ More Efficient Travel, Liaison
- ◆ One FEWER, Not One More Meeting

CoC Has Made Progress In 3 Areas

- ◆ **Combined Glossary**
- ◆ **Situation Assessment Project**
- ◆ **Liaison With IEC Links CoC To International Work**

CoC Group Combines Contributed Glossaries

- ◆ **Groups Submit Glossaries**
- ◆ **CoC Combines New Glossary With All Others**
- ◆ **CoC References All Sources In Duplicates**
- ◆ **CoC Publishes All Definitions, Even Conflicts**
- ◆ **CoC Develops A List Of Conflicts, Informs Group**

The Combined Glossary Project Is Making Progress

- ◆ **Now Have 14 Glossaries & Conflicts**
- ◆ **Others Have Been Submitted**
- ◆ **The More Groups That Submit Glossaries, The Greater Our Value**
- ◆ **This Deliverable Is UNIQUE !**

Activity Status Summarizes Work Of Other Groups

- ◆ **The First Step In Cooperation Is Knowing Who Is Doing What**
- ◆ **CoC Will Include Any Standard Or Report On Process Control Cyber Security**
- ◆ **Web Site Just Became June 2006**

CoC's Status Project Provides An Updated Status Of Other Groups

- ◆ **Track (High Level) Any Process Control Security Work**
 - Identify Sponsor And Point Of Contact
 - Show Work Product (Standard, Guide, Recommended Practice, Report, Technical Paper, Etc.)
 - End User Requirements Addressed
 - Status Of Work
 - Qualifying Remarks
- ◆ **See Dennis Holstein Demonstrate Web Site At CoC Session**
- ◆ **We May Be Missing YOUR FAVORITE ACTIVITY, So Check!**

CoC Has Arranged IEC Liaison

- ◆ **CoC Delivers Your Group's Output To International Standards Groups**
- ◆ **CoC Brings Your Group International Input**
- ◆ **Your Group Conveniently Exchanges Ideas And Insight**
- ◆ **BUT Nothing Happens If You Don't Work With CoC**
