

GovDelivery EMAIL SUBSCRIPTION

Information Direct to Your Inbox

The Industrial Control Systems Cyber Emergency Response Team (ICS-CERT) partners with GovDelivery to provide a digital subscription system to help users stay informed.

By signing up for GovDelivery users can receive new ICS-CERT product release notices directly to their email Inbox.

Sign Up for Email Updates

GovDelivery subscriptions are available to anyone, worldwide. Learn more, and sign up for GovDelivery at:

[GovDelivery New Subscription](#)

The GovDelivery sign-up page allows users to setup their account with their email address, or favorite social media account (Facebook, Google, or Yahoo).

Monitor Wide Variety of Topics

Once the account is established, GovDelivery provides a lengthy list of topics to monitor. Choose the topics of interest.

Then GovDelivery will fill user email boxes with bulletins of selected topics.

ICS-CERT Topics

ICS-CERT offers GovDelivery updates for:

- ICS-CERT Advisories
- ICS-CERT Alerts
- ICS-CERT Announcements
- ICS-CERT Monitor Newsletter
- ICS-CERT Year-in-Review

Other Interesting Sources

Other interesting and useful information sources can also be chosen (most offer multiple topics):

US-CERT Cyber Security

C³ Voluntary Program

U.S. Department of Homeland Security

NIST Computer Security Resource Center

Critical Manufacturing Security News

... and many others...

Simple Account Maintenance

Users can easily update account preferences and add/delete subscriptions. A link to the corresponding GovDelivery page is provided in the footer of each email message.

About ICS-CERT

ICS-CERT works to reduce risks within and across all critical infrastructure sectors by partnering with law enforcement agencies and the intelligence community and coordinating efforts among Federal, state, local, and tribal governments and control systems owners, operators, and vendors.
