## ICSJWG 2018 Spring Meeting

Albuquerque, New Mexico | Albuquerque Marriott

### Meeting Background

DHS/NCCIC and the ICSJWG are excited to announce that the ICSJWG 2018 Spring Meeting will occur April 10-12, 2018, in Albuquerque, New Mexico! ICSJWG Meetings provide a forum for critical infrastructure stakeholders to gather and exchange ideas about critical issues in industrial control systems (ICS) cybersecurity. ICSJWG Meetings include three full days of keynote and breakout presentations, panels, demonstrations, and networking opportunities. Each Meeting is offered at no cost to attendees and is open to all who are interested.

### Spring Meeting Highlights

- Confirmed Keynote Speakers:
  - Mark Lanterman, CTO, Computer Forensic Services
  - Easiest Catch: Don't Be Another Fish in the Dark 'Net
- Hands-On Technical Workshop
- "Ask Me Anything" session with NCCIC ICS
- Vendor Expo

### Registration Information

To register for the Meeting, please use this [registration link](#) or go to <https://secure.inl.gov/ics-cert-briefing/?campaignName=ICSJWG%20Spring%202018>.

Please register no later than April 4, 2018.

Note: This registration link is for the Meeting only.
